Programs: Digital Citizenship

The Internet has changed the way our students communicate with the world. Pictures and personal post are easy to share their creativity and express themselves. However most of our students do not fully understand the risks in some of these behaviors.

With your help the PTSA was able to secure an earlier date for the internet program. KATIE GREER: Digital Citizenship/Safety will be presented on April 13 to the students during the day and there

Joining the PTSA

It is easy to join the PTSA online. The form is on the PTSA website www.marcusptsa.org. Fill out the membership form and pay online, or choose to pay offline and write a check and bring it to school. Place all checks in the PTSA mailbox at both Marcus and Marcus 9.

Helpful TidBits

If you know your student is going to have a doctor's appointment, save time by sending a note with your student to school. Your student will talk the note to their attendance clerk. The attendance will complete the necessary paper work. You will save time and never be late to your appointment.
