This is a must see for students and parents alike. The program will be in the **Marcus High School Auditorium, March 8th, from 6:00 - 7:30**

While the focus is on the gifted and talented student population, we certainly invite all Marcus High School students who would benefit from this session to attend.

We do, however, need a head-count so that the appropriate amount of materials can be prepared. All interested students should register by Wednesday, March 8, in either Mrs. Brininstool's classroom, W105, or Mr. Porter's classroom, D205.

If you have any questions, please feel free to contact either Mrs. Brininstool or Mr. Porter.
