Session Title & Presenter	Description
Honor Societies 101 & Community Service: Various Honor Society representatives & Duty Bound—community service club!	This session provides an overview of all honor societies available at Marcus High School and the requirements to induction. For underclassmen, this allows students to set goals for entry and see the importance of these organizations for their resumes. For students not in an honor society, a new community service club is highlighted!
Foundation High School Program (FHSP) Graduation Natalie Melton, MHS9 Counselor	For freshmen and sophomores on the FHSP, this session will provide a review of the endorsements as well as the terminology and options offered through this program.
PSAT/SAT/ACT Information: Casey Rose, Kaplan	Kaplan presents information regarding changes in the PSAT/SAT as well as tips regarding all three tests.
Scholarships!!: Erika Dietz, Guru Academic Advising	The scholarship process can be daunting for any student or parent! Erika Dietz from Academic Guru Advising gives helpful tips for finding and applying for scholarships.
Road Map to College: Debbie Nelson, Life-Map Workshops	Debbie Nelson is a professional and parent with a passion for helping young adults realize their full potential. This is an overview of the college application process including options, admissions criteria, planning resources and critical timing with an emphasis on what parents can do throughout this process to encourage and support their children.
It's All Greek To Me: Amy MacArthur, NDHAAP (For parents and daughters interested in Greek Life in college)	Have questions about the Greek system as a student or parent? Come find out why women choose to participate in the Greek system. We will share with you some benefits of being in a sorority during college and in the years that follow. We hope to help you start to determine if participating in Greek life is right for you, and if so get you started with the process to be more prepared to go Greek!
Navigating NCAA: UNT Compliance Officers	Great for any students who may be interested in participating in an NCAA sport during college. NCAA compliance officers present information and give Q&A for all grade levels.
