

Marcus PTSA Student Leadership Committee

2018-2019 Application

The MHS PTSA has a student committee on its board called the PTSA Leadership Development Council. This committee shall consist of at least two members from each class selected by application, interviewed by a PTSA officer, and approved by the Executive Board. Each student will be mentored by a PTSA officer and/or committee chairperson. (Mentor shall not be that student's parent.)

Responsibilities are:

1. To be a member of the PTSA.
2. Attend two Executive Board meetings
3. Attend one PTSA General meetings or LISD Board of Trustees meeting
4. Agree to work with an assigned mentor of a PTSA committee
5. Complete a brief report of your PTSA experience by the end of the year

Because our organization includes students, we would like them to participate more actively. The committee was established to help students learn organizational and leadership skills, but it also allows the association to receive their input regarding campus decisions as well.

A certificate will be presented to the student at the end of the year for their portfolio, providing objectives have been met.

If you're interested, please complete the information below and return to the PTSA box in the office.
