

October 2020

This year, our school needs your help more than ever.

I hope you will be inspired to join PTSA. Our teachers are rocking and rolling with support! However, we need our parents to join in and join the Marcus PTSA!

As everyone knows, this 2020-21 school year is different. The ongoing pandemic is disrupting every aspect of normal society, including greatly limiting how our students and teachers can interact with one other and how the rest of us can help, at least physically.

I challenge you to not let COVID-19 be an excuse to disengage but, to help double our efforts to ensure that EVERY student, teacher and family has what they need to succeed this very challenging year. The students and teachers still need your help now more than ever. **Join Marcus PTSA TODAY!** [Click here](#)

Millions of students have found Reflections to be an outlet to turn their creativity loose! The Reflections Arts Program encourages students to tap their inner creativity and express themselves through their artwork. Students are invited to reflect on a common theme — “Heroes Around Me” — and submit original artwork in one or more of six categories:

- Dance Choreography
- Film Production
- Literature
- Music Composition
- Photography
- Visual Arts

The student, or at least one member of their household, must be a member of the MHS PTSA. Selection and recognition is achieved on 4 levels: Local, Council, State, and National.
