Message from our PTSA President

Can you believe it's already Fall? Your PTSA has been working hard already this year for the staff and students at Marcus. We have enjoyed supporting our staff thru the back to school breakfast and our students at the carnival. We hope you enjoyed our first parent education program with the SRO. Look for future parent education programs. Your membership with PTSA allows us to do this and much more. Look for information on the Reflections program in this edition of the newsletter.

SAY NO TO VAPING

(
U.S.News.com)

According to our Marcus High School Resource Officer(SRO), Officer Anderson, vaping is the biggest issues he runs into on campus. .

Did you know that 1 in 5 U.S. teens Vape?

More than 2,700 teens have been hospitalized with lung damage. Despite the dangers, vaping continues to grow in popularity. An estimated 5,700 young people start vaping every day! Given this epidemic, Texas PTSA is working diligently to advocate for more bans and penalties on the sale of e-products. While the PTA was not successful in passing flavor bans, a good next step was taken to regulate these products and to increase penalties for selling to minors. Texas PTA will be back next session to advocate hard for banning flavors.
